## **REASONS FOR ALLOWANCE**

### ***Drawings***

1. The drawings were received on September 1, 2005. These drawings are accepted.
  
2. The following is an examiner's statement of reasons for allowance: The prior art when taken separately or combined fails to teach and/or show an illumination device having U-shaped fastener loops mounted on the outside of an elongated member and fastener straps threaded through the fastener loops for looping around an article. The elongated member is at least partially transparent and contains a light string consisting of a plurality of spaced light members and the elongated member has end caps inserted into and closing off the ends of the member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
